Summer 3—June 2017

WELCOME BACK

We would like to say a big welcome back to all of our children. I hope you have all enjoyed the break and are well rested for a busy and exciting half term ahead. As you are aware the School has undergone a few improvements during the holiday. We hope you agree that these changes are for the better and more importantly have made a safer environment for the children. We would like to thank you for your patience whilst the office staff have been adapting to the new office environment. Please note the children's safety is of paramount importance to us, therefore, only parents who have appointments with staff, or need to complete medical forms or any other documentation will be allowed through to the main Reception area. If you are bringing your child to Breakfast Club or collecting your child from an After School Club, please wait outside the main entrance or inside the new porch area and your child will be brought out to you. I appreciate your full support and would like to thank you for your co-operation.

Mrs Lisa Chambers

PE KITS

Every day we have a considerable number of children who forget their PE Kit. PE is an extremely important part of the curriculum. Could we please ask that your child consistently has a PE Kit in school every day.

PARKING ON AND OFF SCHOOL SITE

Once again, we need to bring to your attention problems regarding parking of vehicles. Firstly, may we remind you there is no parking in the Disabled Bay on School site, unless you have a Disabled Badge. Secondly, please could you help keep our children safe and refrain from parking on Double Yellow Lines and across driveways. If the school parent car park is busy, please use the staff car park. Please note the gates will lock at 9am, so please ensure your car is removed by this time. Can we ask that you do not park in front of the staff car park gates, as this causes major congestion for staff trying to access the car park.

FUN IN THE SUN

On the last day of term, children really enjoyed themselves during our 'Fun in the Sun' afternoon :

Drinking Slush Puppies

Playing on the new Bouncy Castle

Basket Ball

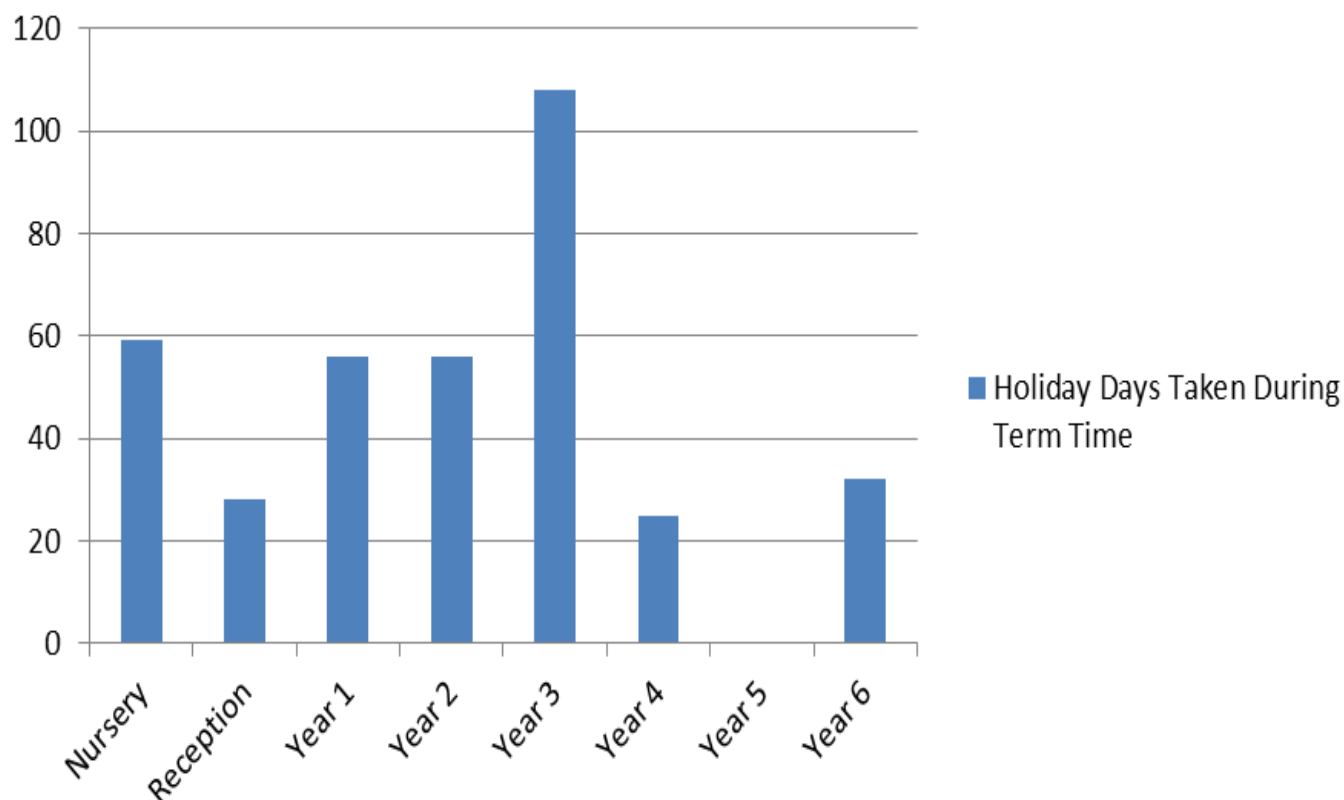

Parachute

And much more.....

We are pleased to announce we will be holding another 'Fun in the Sun' afternoon on Friday 21st July. Please note any children who have received 5 or more Red cards will not be able to take part in the fun.

Holiday Days Taken During Term Time

We would like to make you aware of how much School learning time is being lost by children taking holidays during term time. Since September 2016 there has been 364 days lost through holiday. The above graph shows the number of days lost per year group

Please note there will be no authorised holiday during term time. Taking a long period of unauthorised holiday may not only result in a fine, but your child may also be at risk of losing their place in school and given to a child on our waiting lists.

If you are thinking of taking your child out of school for holiday, please make an appointment to see Mrs Lisa Chambers in the first instance.
