VIOLENT /AGGRESSIVE BEHAVIOUR

There has been numerous occasions recently where parents have shown violent/threatening behaviour in and around School and towards School staff. We understand there are times when things happen in School which you are not happy about and the current situation with the driveway is causing lots of frustration amongst parents, but please be assured we are doing everything possible to ensure we continue to provide a safe learning environment for your children. Please remember we are a School and children and members of the School community have a right to expect that their School is a safe place in which to work and learn.

Violent and threatening behaviour will not be tolerated. Where such behaviour or abuse does occur, not only do you risk being banned from School site, but ATT will play a proactive role in taking all possible action to deal with it.

Thank you for your co-operation.
