Spring 2—February 2018

LATENESS

We must stress the importance of signing your child in the late book. If your child arrives to school after the bell has gone, they must be brought to the office by an adult and signed in the late book. Parents / Carers should not send their children in to school without being accompanied by an adult.

BRINGING YOUR CHILD TO SCHOOL

We appreciate the inconvenience with the driveway closed, but it is extremely important that your child is brought in to School accompanied by an adult who stays with them until the bell goes. Children must not be sent down the steps and in to school on their own. We cannot guarantee your child's safety when they are left alone to come in to School, as the gate at the bottom of the playground is open.
