

Dear Parents and Carers

Welcome back to school.

We are entering the final term of the Reception Year.

'Life Cycle of a Butterfly' Topic.

This term we are learning all about caterpillars and butterflies and the life cycle of a butterfly.

We will continue to learn our phonic sounds everyday, please support your child at home by practising the sounds and high frequency words you child is given.

Dates for your Diary

Thursday 3rd May—School used as a Polling Station so School is Closed.

Monday 7th May Bank Holiday—School Closed.

Friday 18th May Summer Fayre from 1.15pm

Reading Folders

Please ensure your child brings their reading folder to school everyday as we do not have set days on which we change the books. When the book has been shared at home please write a comment in the diary.

Homework

Last term the children did very well completing their homework. Please continue to support them in completing the task each week and ensure your child brings it back by Tuesday so they get their golden time reward.

Coats

Although we hope the weather will start to get warmer children will continue to need a coat in school everyday as we do indoor and outdoor lessons everyday.

Water Bottles:

Please send your child to school with a water bottle each day so they can drink throughout the day. Water helps the children concentrate and keeps us healthy, this is especially important as the weather gets warmer. **Please do not put water bottles in Reading Folders** if they leak our reading books get ruined.

Jewellery/PE

Children are not allowed to wear jewellery at school. If they have their ears pierced they are only allowed to wear studs and these must be removed on PE days. Our PE day will continue to be Wednesdays and we are hoping to get outside once the weather starts to improve.

Communication:

Please can I remind you to check reading folders each evening for letters from school.

Attendance

We believe that good attendance at school should start in the Early Years Classes so to encourage this we will be celebrating weekly 100% attendance every Friday. Children who have attended all week will receive a certificate. At the end of term for those children who have achieved 95% attendance from April to
