CHILDREN ARRIVING LATE FOR SCHOOL:

There seems to be a lot of children arriving late for school every day. May we remind you that the gates close at 8.45am, all children should arrive by this time. Being late for school every day not only means your child is missing out on valuable learning time, but it disrupts the other children who have arrived on time for School. Being late also means your child misses out on 100% attendance rewards and class attendance privileges throughout the year.
