

# Year 6

## Curriculum Map

### Spring Term

## 'Frozen Kingdoms'

### Trips, Key Dates, Theme Days/Weeks:

Topic/Science themed trip-  
March (date TBC)

### History

None in this unit

### Art and Design

- To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]
- Environmental art sketch and sculpture.
- Indigenous art-printing.

### Geography

- Use grid references and line of latitude and longitude, contour lines and symbols on maps
- Describe climate similarities and difference between two regions
- Explain how the presence of ice makes the polar oceans different

### Design and Technology

- This project teaches children about remarkable engineers and significant bridges, learning to identify features, such as beams, arches and trusses. They complete a bridge-building engineering challenge to create a bridge prototype.

### Music

- Music genres
- Music notation
- Creating own short compositions

### Computing

- Use Google Earth to explore places such as the North and South Pole
- Online safety lesson
- Spreadsheet (Purple Mash Unit)
