A message from the Principal!

ClassDojo

Good news we are pleased to announce
the return of our class Dojo.

If you still have your log in details these will not have changed so you should be able to log straight back into your child's account. If you are having any trouble logging in please contact School when we return on 19th February.

You may receive a link over the holiday from Mrs Quilt .

Please **DO NOT delete your MCAS** account as we will be using both apps for parent communication and MCAS will give you access to behaviour and attendance data.

Class Celebrations

Nursery

This term we have been learning about nocturnal animals. Here we are painting owls and bats and badgers. Outside we are looking for these animals and taking photographs. We enjoyed acting out one of our stories called 'Whatever next'.

Reception

In Reception, this half term, we have been learning about things that happened in the past, exploring outside, practicing our writing and learning dance in PE.

Year 1

In Geography we have been learning how to read directions. We used a compass to identify North, South, East and West.

We looked at aerial photographs and we researched transport in London to support our topic 'Bright lights Big City'

Class Celebrations

Year 2

Year 2 have been working really hard on their music this half term and have really enjoyed playing the instruments and singing!

Year3

This half term has been a busy one for Year Three! We have made volcanoes in Topic, learned to play the recorder in Music and created our own dances in PE. Our new text, The Firework Makers Daughter has supported us to write diary entries and newspaper reports. In Maths, the children have really enjoyed our length and fractions topics.

Year 4

Despite having a very short half term, we have been getting up to and preparing for lots of exciting things in the next few weeks. Stunning Start kicked us off where we became historians and archaeologists beginning our new topic on the Anglo-Saxons and the Vikings. We learnt about where the Anglo-Saxons originated from, the quality of their living as well as researching some of the jewellery that they would wear. We then recreated some of our own Anglo-Saxon brooches which looked amazing! One main aspect of our learning that has been exciting lately is Science, where we have been studying States of Matter. The children have conducted a variety of experiments including finding out which fizzy drink is the fizziest once the carbon dioxide has been released as well as the different states of matter that chocolate and water can become once it's particles have been manipulated.

Class Celebrations

Year 5

Year 5 enjoyed a fantastic Change your mind workshop in Equality and Diversity.

Year 6P and 6T

Year 6 have enjoyed working with Bloxwich Cricket Club during their PE lessons this half term.

Polite Reminders

Mobile phones

Reminder to all parents that **mobile phones** are not to be used once you are on school site.

This is to safeguard all of our children, parents and staff.

Please
Turn off Your
Mobile Phones

After school clubs

After school clubs run from **3:30– 4:15pm**

Please continue to collect your child from the office.

There are still spaces in some of our After School Clubs.

Please ask for a consent form from the School Office.

OUTSTANDING MONEY

There is still a considerable amount of dinner money outstanding..

Can all accounts be settled up to date by the **1st March 2024**. If you are experiencing any problems please speak to the school office.

Head lice

We have had a few cases of head lice over the last term.

Please check your children's hair regularly and treat them accordingly

Breakfast Club

The gate for Breakfast Club opens at **8am** and closes at **8:05am**. If your child is late we cannot let them in after this time and you will need to wait with your child

until the gates re-open at **08:20am** for the start of the school day.
