10th—Weston Super-Mare Sea Side

11th—Stay & Play Nur & Rec

14th– 18th Laches Wood Residential

16th—Fantastic Finish

18th—School closes for Summer Holidays

## A message from our Head of Academy

To My amazing Year 6 pupils,

I want to wish you the very best of luck as you take on your SATs next week. You have all worked so hard and shown such determination, resilience and maturity throughout your learning journey. Every single one of you should feel incredibly proud of how far you have come.

Remember, these tests are just one part of your journey- and they do not measure all the wonderful things that make you, you. So, take a deep breath, believe in yourselves, and give it your best. That is all I will ever ask.

Don't forget to look after yourself too: eat well, get plenty of sleep and take the time in between to relax. You've got this!

We are all cheering you on—good luck!

To the rest of the school community—Welcome back after the Easter break! This is a short half term, and with the warmer weather, I kindly ask parents to ensure that children's Summer dresses and shorts are of an appropriate length that maintains modesty. I am currently reviewing the uniform policy in preparation for next academic year. For now, girls may wear white leggings under their summer dress if they wish.

I was pleased to welcome our local MP, Valerie Vaz, to the school last Friday. She was very impressed by what she saw and continues to be a strong supporter of our values and our work in the community. I am in regular communication with Valerie, and she is proud to have our school in her constituency .

Thank you for your continued support,

Best wishes

Mrs Khera

## VE Day Whole School Picnic

What a fantastic day we all had celebrating VE Day together as a whole school. We celebrated the end of WW2 and the importance of Peace.

A big shout out to Mrs Jordon, Mrs Kirby and Mrs Keats for preparing our Picnic which was enjoyed by the whole school.

## Year 2 Botanical Gardens

Year 2 had an amazing time at the Botanical Gardens in Birmingham. They enjoyed looking at hundreds of different plants and exploring the environment different plants thrive in. The children also took part in a workshop about plants life cycle and pollination.

The children's behaviour was fantastic. Well done Year 2!

Miss Naseer

## Summer 2 Ice cream sale

Ice-creams are back in Summer 2! The sale will take place on **Thursday 5th June** (due to an INSET on the Friday), thereafter it will take place every Friday. They will be on sale from the staffroom window which you can access from the main playground, next to the Year 2 door. Cash only. Enjoy!
