## A message from our Head of Academy

Dear Parents and Carers,

As we enjoy the beautiful sunshine this term, it's been wonderful to see the children making the most of the outdoors. Please ensure your child is staying safe in the sun by applying sun screen before school, wearing a hat and bringing a refillable water bottle to stay hydrated throughout the day.

We're also pleased to share that a document on poverty proofing has been released, outlining important changes to school dinner payments and uniform expectations starting in September. These updates are designed to support all families and ensure all children have what they need to thrive. Please take the time to read the document carefully and reach out if you have any questions.

This term has been packed with exciting activities! The children at North Walsall have thoroughly enjoyed visits from The Animal Lady, our engaging Puzzle Day and we are now looking forward to upcoming highlights including the Year 6 leavers assembly, Sports Day, our Sea Side Trip and the much anticipated Summer Fayre.

However we have noticed a dip in punctuality, with many children arriving late due to "sleeping in" or "waking up late." We kindly remind all families that punctuality is a parental responsibility. Please work with us to ensure your child arrives on time and ready to learn each day.

Thank you for your continued support. Let's make the rest of the term a positive and memorable one for all our children.

Kind regards

Mrs S. Khera

## Animal Man Visit

Our visit from the animal man was a great success, all the children and staff had a fantastic experience holding the animals and learning all about them.

## Puzzle Day

All the children from Reception to Year 6 got to take part in the Whole School Puzzle Day. It was the first time we had led a day like this and worked with the company. The children enjoyed applying their knowledge in different ways. We look forward to this again next year.

## Ice Cream Sale

## Year 3 Visit To Conkers

Year 3 really enjoyed their visit to Conkers. They made Roman coins and Mosaics -which links beautifully to their topic. They even got competitive with orienteering and clay architecture!

## After School Clubs

Please take a look at some pictures from our after school provision. These clubs run from 3:15 until 4pm on a Monday, Wednesday and a Thursday .
