Anti Bullying Week

Anti Bullying week is a time when children, teachers and parents are encouraged to take a stand against bullying. This year anti bullying week started on Monday 10th November to Friday 14th November and the theme was 'Power for Good'. It was chosen to empower children and young people to support others and 'build a world where kindness wins'. We took part in live BBC lessons as well as designing our own odd socks to show that we want to use our power for good.

PE Enrichment Day –Nerf Wars

This week, pupils took part in an exciting whole school PE enrichment day called Nerf Wars. The sessions were designed to develop key National Curriculum skills such as teamwork, tactical awareness, agility, coordination, and accurate movement. Children worked in groups to plan strategies, communicate effectively, and apply core physical skills in a fun and engaging environment. The day supported our aim of providing a broad and balanced PE curriculum that builds confidence and promotes a lifelong enjoyment of physical activity
