## A message from our Principal

Dear Parents / Carers,

I would like to take this opportunity to introduce myself as the latest staff addition to North Walsall Primary Academy. I am delighted to be joining the academy in the New Year as the Interim Principal until the end of the academic year, during the period of Mrs Khara's maternity leave.

I have been very fortunate to visit North Walsall prior to the Christmas holidays and have been so impressed by the warm and friendly welcome that I have received. During my visits, I have already been able to see what makes North Walsall an incredibly special place for our young people. As a Headteacher of over twelve years in a variety of school settings, including in Greater Manchester and Cheshire, it has always felt a privilege to lead but more importantly, serve the community in creating the best educational opportunities possible for all of our children. I truly believe that working in partnership with parents and carers is at the heart of the school experience and I look forward to meeting with you over the months to come.

Please do not hesitate to get in touch with me at the school should the need arise.

Kind regards  
Mr M J Shaw

Merry Christmas and a Happy New Year from the SLT team!
