

PE and sport premium

The [PE and sport premium](#) is funding allocated to primary schools that must be used to:

- make **additional and sustainable improvements** to the existing PE, sport and physical activity offer available in the school
- **build capacity and capability** in the school and make sure that improvements made to the quality of PE, sport and physical activity provision now are sustainable and will benefit pupils joining the school in future

Governing boards are responsible for monitoring PE and sport premium spending.

Governors and trustees can use the following tool to:

- ensure appropriate use of the funding (in line with [conditions of grant](#) and any other relevant financial rules and procedures)
- ensure that spending represents good value for money
- evaluate the impact of spending on pupil outcomes

Reporting requirements

All schools who receive PE and sport premium funding must publish a report on their website detailing how the funding has been spent. The report must be published by 31 July each year.

This must include:

- the amount of premium funding received
- a full breakdown of how it has been spent
- the impact seen by the school on pupils' participation and attainment in PE and sport
- how this improvement will be sustained
- swimming and water safety attainment

From July 2025, all schools who receive PE and sport premium funding must complete an [expenditure reporting return](#). **This form can also be downloaded and published to fulfil the above reporting requirement.**

School leaders draft the report, but governing boards should review it and ensure it is published on time.

A PE funding evaluation form is available from [Youth Sport Trust](#) and [The Association for Physical Education](#) to help schools prepare to complete the expenditure reporting return.

4	<p>Assess the impact of spending on the five key areas referred to in section 1 of this tool. Also consider:</p> <ul style="list-style-type: none"> Do pupils take part in 30 to 60 minutes of moderate-to-vigorous intensity physical activity each day? Is the school offering a wide range of sports and physical activities to pupils? What is the school doing to encourage all pupils to take part in competitive sport? Do all pupils leaving the school meet the minimum national curriculum requirements for swimming? Is the profile of PE and sport promoted within the school (for example, are achievements recognised, such as in assemblies)? <p>This list is not exhaustive – there are many ways schools can make use of PE and sport premium. Governing boards should focus on ensuring that spending results in sustainable improvements to the PE, sport and physical activities it provides.</p>
