- 2nd - Whole School Beach Trip
- 3rd - Y4 Country Trust Farm visit

A message from our Principal

Dear Parents / Carers,

It has been fantastic to witness all of the incredible enrichment opportunities that the children take part in here at North Walsall and to see how much enjoyment the children show on their faces when they return from all of their excursions. Last week, I really enjoyed sharing World Book Day with the children and accompanying them on their reading visit to Waterstones book shop. Please remember to check on Class Dojo for all the updates about school visits and the photographs of the children on them.

We have had some really excellent attendance this term with many days of classes with one hundred percent attendance. It is encouraging to see such great attendance and although we understand that some time off may be unavoidable due to illnesses, especially at this time of year, we appreciate your support in ensuring that your children do not have unnecessary absences and that our school attendance is amongst the best in the area.

We have been electing children to be our school Climate Ambassadors to help improve our school environment and our sustainability. Next week, I will be revealing who has been elected so that we can make a start on this really important role.

Thank you for your continued support and helping us with ensuring our school is incredible.

Kind regards

Mr Shaw

World Book Day

World book day was full of fun and relaxation in our pyjamas. The children took part in reading to a partner during the afternoon and other world book day activities. It was a lovely day .

World Book Day Reading Corner

Well done to all the children who created a book scene, it was a fantastic effort!

Year 5 Gurdwara Visit

Year 5 learned about Sikh beliefs, the importance of community and the traditions that take place inside the Gurdwara.

Year 3 Visit Lapworth Museum

Year 3 had a wonderful time at Lapworth Museum of Geology in Birmingham!

They experienced everything from ammonites, precious gems, fossils, tectonic plates and much more. A wonderful day from beginning to end.

Police - County Lines

Today the police came and spoke to Year 5 and 6 about county lines, how they affect children their age and staying safe in the community.

Lunar Dance Workshop

The whole school took part in a dance workshop to celebrate the Chinese New Year. This was a fantastic experience and lots of fun for everyone that took part.

Year 6 Peak Zoo and Wildlife Park

Year 6 had a great day at Peak Zoo learning lots about different animals and even saw a Polar bear!
