20th - Whole school fun day

21st - INSET DAY School closed

Break up for Summer Holidays

September

1st - INSET DAY school closed

2nd - Back to school Autumn 1

Dear Parents / Carers,

In the week beginning 11th May, our wonderful Year 6 pupils will be taking part in their SATs. They have prepared and worked so hard for these public examinations and should feel very proud of the effort that they have put into their whole learning journey – the progress that they have made is phenomenal! As children across the country embark on these tests, it is a great time to remind ourselves of the Growth Mindset quote by the renowned academic, Carol Dweck, who said **“Success is not talent fixed at birth, but persistence practised every day.”**

Good luck to all our Year 6 pupils but don't forget to take care of yourselves too by getting quality sleep, eating healthily, hydrating and taking plenty of exercise!

Across the school, it has been wonderful to see the children embarking on their Summer term topics! What a lot of new things they have been learning; I have been completely dazzled by the breadth and depth of learning and it has been such a treat for the whole school community to see and hear about the ducklings hatching in Mrs Tuck's Reception class. I have been working with our new Climate Ambassadors on some projects to help with our environment and our Year 6 ambassadors, will be providing a presentation to the school in stopping litter and reducing food waste.

This term, we have a number of student teachers on placement from Reception to Year 6. It has been a pleasure to host them at North Walsall and we are grateful for the contribution that they make to our academy.

Thank you to all of you who are supporting our new school breakfast club by sending your children to it. We now have a record number of children attending and we have been able to extend the range of breakfast food to include a range of fruits and yoghurts to our choices.

Thank you so much for your keen support of our school.

Kind regards,

Mr Shaw.

Nursery

Nursery have been reading a book called 'Rumble in the Jungle'. The children have worked hard painting stripes for a zebra and a tiger and spots for a giraffe.

Reception

The Reception children made the most of the beautiful weather and went up to the Library for some outside reading and relaxation.

Year 1 and Year 2

Year 1 and 2 have been working very hard on their spelling and have achieved some fantastic results.

Year 3 and Year 4

Year 3 have made a start on their topic 'Empires and Emperors'.

Year 4 enjoyed their PE Enrichment day taking part in all different challenges.

Year 5 and Year 6

In PE, Year 5 showed determination and teamwork whilst playing hockey and Year 6 have started their new PE topic on fitness.
