## A message from our Principal

Dear Parents / Carers,

What an action-packed half term it has been with fantastic school visits culminating in some of our classes enjoying visits to Go Ape this week where they have shown some truly remarkable outdoor skills such as zip-lining and high-ropes bravery.

The children have continued to impress me this week with their wonderful application of the North Walsall Way in and around school and the high standard of their work. The children in Year 6 conducted themselves so admirably in their Year 6 SATs last week, showing such maturity and hard work. I have also been so impressed with the children's phonics and reading in Reception and Year 1 with the children very keen to show me what they have written and eager to read it to me!

I would like to pay tribute to the wonderful staff team at North Walsall who dazzle me every day with their commitment and dedication to our children. They are truly remarkable and I thank them all for their service.

We have lots of incredible experiences planned for next half term, including our incredible visit to Weston Super-Mare.

I wish you and your families a very pleasant and enjoyable half-term break.

Yours Sincerely

Mr MJ Shaw

Principal

## St Johns Ambulance

The children learned all about how to call for help in an emergency and what important information they might need to give, as well as how to treat bites, stings and allergies.

They listened brilliantly, asked thoughtful questions, and showed great maturity while learning these vital life skills.

## Year 3, 4 and 5 visit Go Ape

All classes had a fantastic experience at Go Ape. The children showed great courage and resilience whilst completing the assault course.

## Year 6 SATs

We are so proud of all the year 6 children, they have worked so hard and are a real credit to our school community. We thank all parents and carers for supporting and encouraging your children along the way.

## Year 2 Maths Super Stars

These children achieved 12/12 in their arithmetic tests.

## After School Clubs Summer 2

The new after school clubs for next term are now live on MCAS. If you would like to join, you must sign up as soon as possible as we only have limited spaces available.

Monday	Wednesday	Thursday	Friday
